

GULF CHEMICALS AND INDUSTRIAL OILS CO شركة الخليج للكيماويات والزيوت الصناعية

www.gcir.com.sa

WHO WE ARE

Gulf Chemicals & Industrial Oils Co. is a leading manufacturer of high-quality industrial chemicals and specialty oils. Our product range includes alkyd resins, polyester resins, transformer oils, re-refined base oils, wash oils, white spirit, odorless kerosene, and aromatic solvents.

We proudly supply these products to a wide array of industries, including paints and coatings, synthetic resins, fiberglass manufacturing, electrical transformers, construction chemicals, industrial degreasers, inks, insecticides, aerosols, marine well-drilling, and bitumen-based products. Our reach extends across the GCC, MENA region, and the Indian subcontinent, serving clients with excellence and reliability.

HISTORY

1984	1994	2002
Established Saudi Industrial Solvents Co. (SISCO).	Gulf Chemicals and Industrial Resins Co. Founded.	Merger created Gulf Chemicals & Industrial Oils Co.

MISSION

We are committed to maintain safe work practices, provide environment - friendly quality products and services to our customers through an excellent relationship with external providers, internal and external customer satisfaction, retention of our skilled employees, innovation, effective changes and transformation of our organization

VISION

To be market leader in manufacturing of Industrial Chemicals & Specialty Oils globally

CORE VALUES

1

Safety

Prioritizing well-being at work and home.

2

Quality

Striving for excellence in every aspect of our work, with customer satisfaction as our ultimate goal.

3

Innovation

Continuously exploring new ideas to shape our future and thrive in the competitive market.

4

Leadership

Inspiring excellence by example.

5

Accountability

Taking full responsibility for our actions.

6

Integrity

Conducting business with honesty, transparency, and strong ethical principles.

7

Teamwork

Collaborating effectively to achieve our company's goals and shared success.

8

Community

Committed to supporting our community and protecting the environment through responsible practices.

9

Sustainability

We embrace eco-friendly practices to minimize our environmental impact, optimize resources, and ensure a better future for the planet.

Our Proud Products

Aliphatic Solvent

- Low Aromatic
- White Spirit
- Special Boiling Point

Special Oils

- Low Toxicity Kerosene Oils
- Heavy Aromatic Solvent
- Transformer Oils
- Light Aromatic Solvent
- GCIR N-Paraffin
- Regular Wash Oil
- Advanced Wash Oil

Resins

- Alkyd Resin
- Unsaturated
- Polyester Resin

Emulsifiers and H₂S Scavenger

- Emulsifiers
- Scavenger

Base Lube Oils

- GN-150
- GN-300
- GN-500

White Mineral Oils

- GCIR-04
- GCIR-15

Fatty Acids

- Natural Fatty Acids
- Technical Glycerin

PRODUCT APPLICATION

Aliphatic Solvent

White spirit which is used in decorative gloss paints, lacquers, cleaning products, degreasing application and used in alkyd resin production. Special boiling point.

Alkyd & Polyester Resins

Alkyd Resins: Used in paints and primers.
Unsaturated Polyester Resins: Key in fiberglass and boat manufacturing.

White Mineral Oils

Used as a catalyst carrier industrial process.

Special Oils

Various types of special oils are used for different applications.

Emulsifiers and H2S Scavenger

Emulsifiers provides excellent emulsion stability, used for filtration control, temperature stability in oil Drilling process.

Fatty Acids

Raw material for alkyd resin, cosmetic products, synthetic ester for lube oil.

Base Lube Oils

Re-refined from waste lube oil

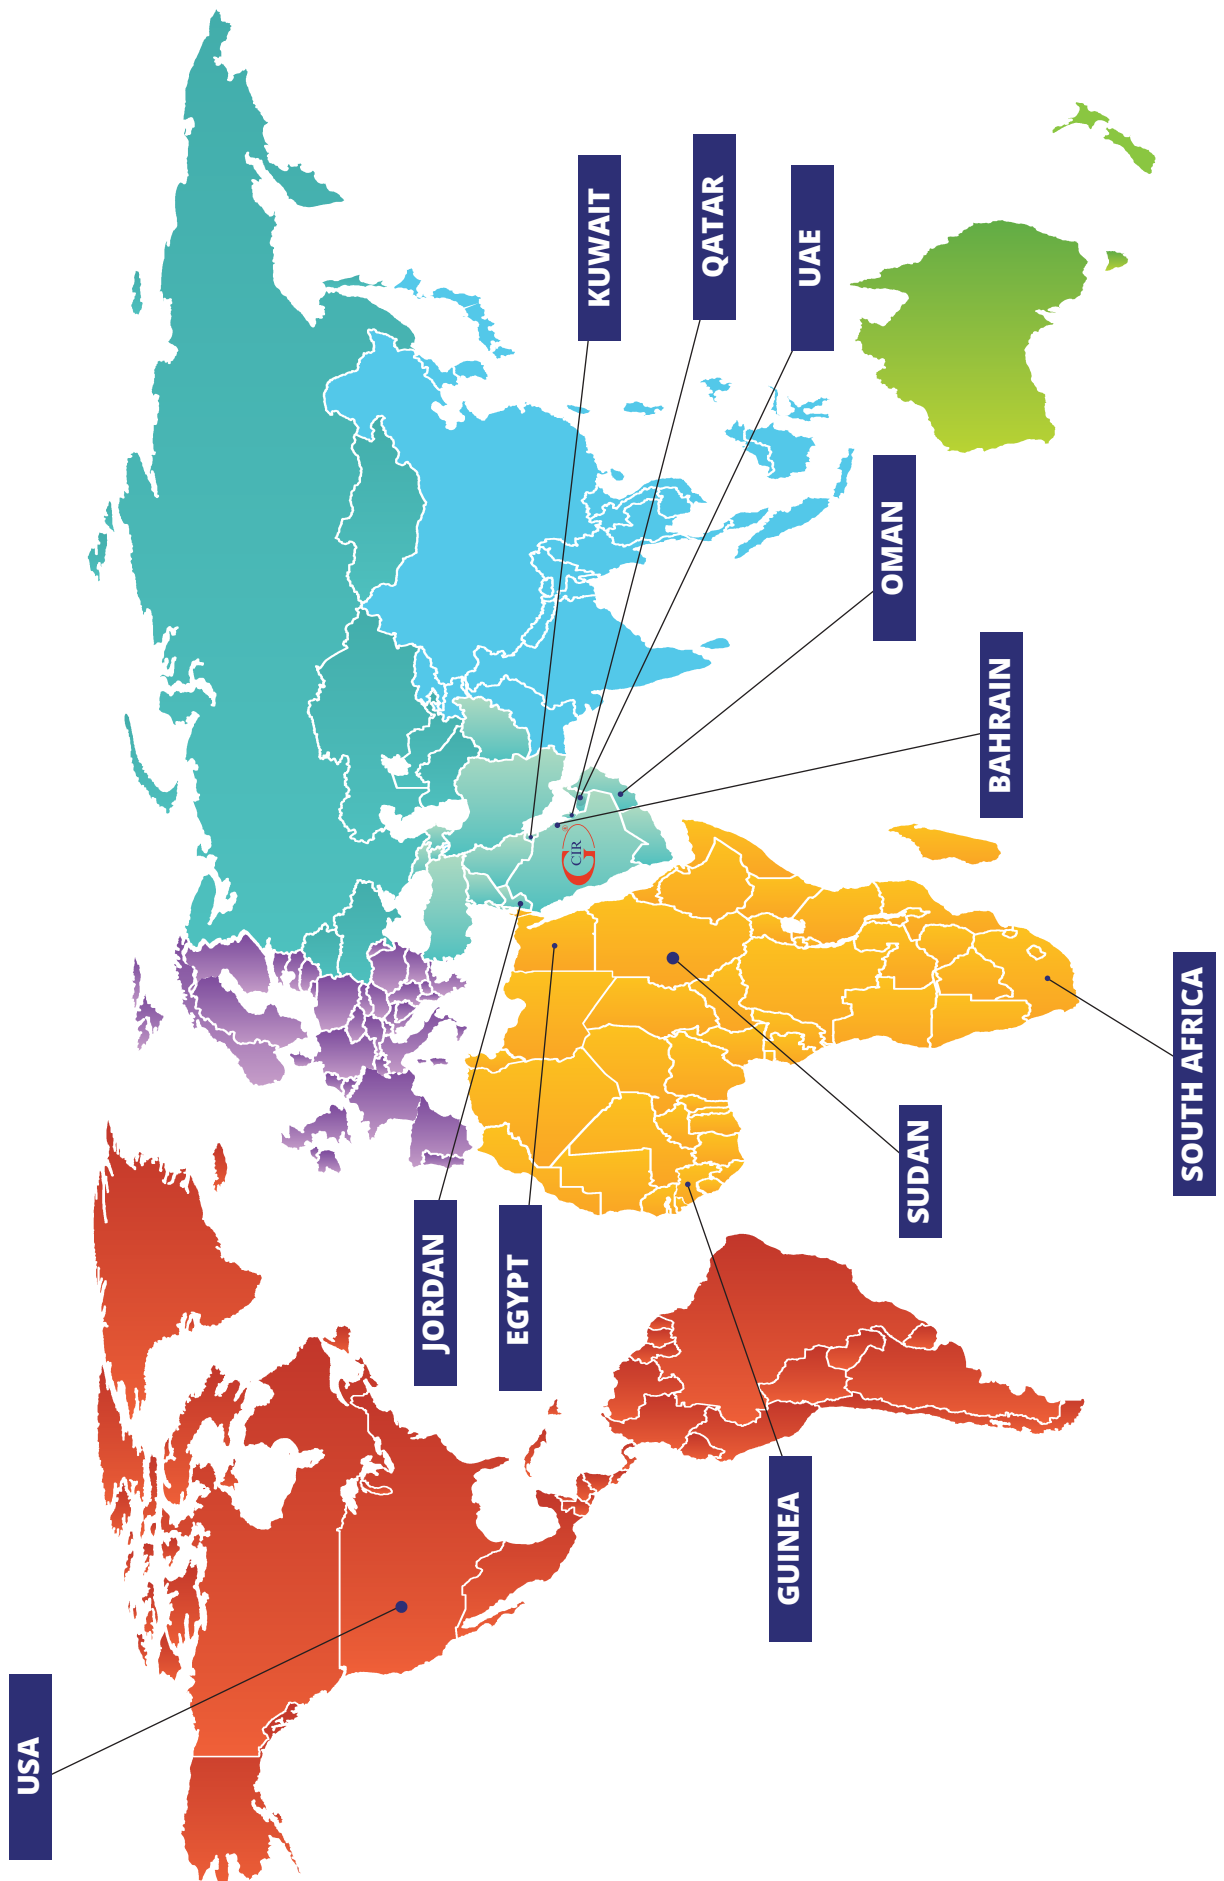

Gulf Chemicals & Industrial Oils Co. connects industries across the GCC, MENA, and key global markets like the USA and India, our efficient trade routes ensure timely delivery of product to meet diverse industrial needs, reflecting our global reach reliability
